Pastor's Letter for September

When talking about faith, the concept of trust is a crucial part of the discussion. Who do you trust? How do you determine what the basis of that trust is? The writer to the Hebrews shows any number of examples of faith in the lives of people. Like us, they had doubts and questions, but they were confident that God could and would do what he said he would. These days it is hard to find that level of commitment in most anything or anybody. The example of Sarah and Abraham shows how difficult this may be to believe. Their questions did not change God's action. So, when we wonder if God can do for us what we ask, we can of course question, but we need also watch and see what God can or may do. This is the trust part. The hymn line "I am trusting you Lord Jesus" says it best. May God through His spirit increase in us our ability to trust him and decrease our anxiety.

Car Cruise 2025

Our Car Cruise Committee. Dick Kling, Marsha Sick, Don Baker, Richie Ives, Deb and Paul Vossler. Missing from the photo are Alice Stevens, Kate Lamberson and Kristin Ives.

Paul and Richie Ives pressure washing the tables and floor of the Pavilion in preparation for the Car Cruise Night. Dick Kling also stopped down to help.

Mark and Lorraine Stone of Centerville were awarded "Pastor's Award" by Pastor Bill for their 1924 Franklin vehicle. Interestingly it was manufactured in Syracuse, NY and has an air-cooled engine, and does not have a radiator. The award was fabricated by Richie Ives.
